

Social Media Policy

1. Policy aims and scope

- This policy has been written by Super Stars Pre-school, involving staff, children/pupils/students and parents/carers, building on The Education People's social media policy template with specialist advice and input as required, taking into account the DfE statutory guidance '[Keeping Children Safe in Education](#)' 2021, [Early Years and Foundation Stage](#) 2021, '[Working Together to Safeguard Children](#)' 2018, '[Behaviour in Schools Advice for headteachers and school staff](#)' 2022, '[Searching, screening and confiscation at school](#)' 2022 and the local [Kent Safeguarding Children Multi-agency Partnership \(KSCMP\)](#) procedures.
- The purpose of this policy is to safeguard and promote the welfare of all members of Super Stars Pre-school community when using social media.
 - Super Stars Pre-school recognises that online safety is an essential part of safeguarding and acknowledges its duty to ensure that all children and staff are protected from potential harm when using social media.
 - As outlined in our child protection policy, the Designated Safeguarding Lead (DSL), The manager, Sandra Burgess is recognised as having overall responsibility for online safety.
- The policy applies to all use of social media; the term social media includes, but is not limited to, blogs, wikis, social networking sites, forums, bulletin boards, online gaming, apps, video/photo sharing sites, chatrooms and instant messenger apps or other online communication services.
- This policy applies to children, parents/carers and all staff, including the owner, leadership team, practitioners, support staff, external contractors, visitors, volunteers and other individuals who work for, or provide services on behalf of the setting (collectively referred to as "staff" in this policy).

2. Links with other policies

- This policy links with several other policies, practices and action plans, including but not limited to:
 - Acceptable Use Policies (AUP)
 - Promoting Positive Behaviour policy
 - Cameras and image use policy
 - Child protection policy
 - Staff Code of conduct
 - Confidentiality policy
 - Sharing Information
 - Mobile and smart technology

3. General social media expectations

- Super Stars Pre-school believes everyone should be treated with kindness, respect and dignity. Even though online spaces may differ in many ways, the same standards of behaviour are expected online

as offline and all members of the Super Stars Pre-school community are expected to engage in social media in a positive and responsible manner.

- All members of the Super Stars Pre-school community are advised not to post or share content that may be considered threatening, hurtful or defamatory to others on any social media service.
- We will control learner and staff access to social media whilst using setting provided devices and systems on site. The children will not have access to social media and only the manager and deputy will have access to Instagram and facebook pages. Other social media may only be accessed by staff having sought permission from the manager. Systems will be monitored and appropriate filters put in place if necessary.
- Inappropriate or excessive use of social media during setting hours or whilst using setting devices may result in removal of internet access and/or disciplinary action.
- The use of social media or apps, for example as a formal remote learning platform will be robustly risk assessed by the DSL and/or manager prior to use. Any use will take place in accordance with our Acceptable Use Policy.
- Concerns regarding the online conduct of any member of Super Stars Pre-school community on social media will be taken seriously. Concerns will be managed in accordance with the appropriate policies, including anti-bullying, allegations against staff, behaviour, home school-agreements, staff code of conduct, Acceptable Use Policies, and child protection.

4. Staff use of social media

- The use of social media during setting hours for personal use is not permitted for staff.
- Safe and professional online behaviour is outlined for all members of staff, including volunteers, as part of our code of conduct policy and acceptable use of technology policy.
- The safe and responsible use of social media sites will be discussed with all members of staff as part of staff induction. Advice will be provided and updated via staff training and additional guidance and resources will be shared with staff as required on a regular basis.
- Any complaint about staff misuse of social media or policy breaches will be taken seriously in line with our child protection and allegations against staff policy.

4.1 Reputation

- All members of staff are advised that their online conduct on social media can have an impact on their role and reputation within the setting. Civil, legal or disciplinary action may be taken if staff are found to bring the profession or institution into disrepute, or if something is felt to have undermined confidence in their professional abilities.
- All members of staff are advised to safeguard themselves and their privacy when using social media. This may include, but is not limited to:
 - Setting appropriate privacy levels on their personal accounts/sites.
 - Being aware of the implications of using location sharing services.
 - Opting out of public listings on social networking sites.
 - Logging out of accounts after use.

- Using strong passwords.
- Ensuring staff do not represent their personal views as being that of the setting.
- Members of staff are encouraged not to identify themselves as employees of Super Stars Pre-school on their personal social networking accounts; this is to prevent information being linked with the setting and to safeguard the privacy of staff members.
- All staff are expected to ensure that their social media use is compatible with their professional role and is in accordance our policies and the wider professional reputation and legal framework. All members of staff are encouraged to carefully consider the information, including text and images, they share and post on social media.
- Information and content that staff members have access to as part of their employment, including photos and personal information about children and their family members or colleagues, will not be shared or discussed on social media sites.
- Members of staff will notify the leadership team immediately if they consider that any content shared on social media sites conflicts with their role.

4.2 Communicating with children/pupils/students and their families

- Staff will not use any personal social media accounts to contact children or their family members.
- All members of staff are advised not to communicate with or add any current or past children or their family members, as 'friends' on any personal social media accounts.
- Any communication from children and parents/carers received on personal social media accounts will be reported to the DSL (or deputy) and/or the manager.
- Any pre-existing relationships or situations, which mean staff cannot comply with this requirement, will be discussed with the DSL and the manager. Decisions made and advice provided in these situations will be formally recorded to safeguard children, members of staff and the setting.
- If ongoing contact with children is required once they have left the setting, members of staff will be expected to use existing alumni networks, or use official setting provided communication tools.

5. Official use of social media

- Super Stars Pre-school official social media channels are Instagram/Facebook
- The official use of social media sites by Super Stars Pre-school only takes place with clear educational or community engagement objectives and with specific intended outcomes and once the use has been formally risk assessed and approved by the manager prior to use.
- Official social media sites are suitably protected and, where possible, run and/or linked to/from our website.
 - Official social media channels have been set up as distinct and dedicated accounts for official educational or engagement purposes only.
 - Staff use setting provided email addresses to register for and manage official social media channels.
 - Leadership staff have access to account information and login details for our social media channels, in case of emergency, such as staff absence.

- Official social media use will be conducted in line with existing policies, including but not limited to anti-bullying, image/camera use, data protection, confidentiality and child protection.
- All communication on official social media platforms by staff on behalf of the setting will be clear, transparent and open to scrutiny. Public communications on behalf of the setting will, where appropriate and possible, be read and agreed by at least one other colleague.
- Parents/carers and children will be informed of any official social media use, along with expectations for safe use and action taken to safeguard the community.
- Parents and carers will be informed of any official social media use with children; any official social media activity involving children will be moderated if possible and written parental consent will be obtained as required.
- We will ensure that any official social media use does not exclude members of the community who are unable or unwilling to use social media channels.
- Members of staff who follow and/or like our official social media channels will be advised to use dedicated professional accounts where possible, to avoid blurring professional boundaries.
- If members of staff are managing and/or participating in online social media activity as part of their capacity as an employee of the setting, they will:
 - Read and understand our Acceptable Use Policy.
 - Be aware they are an ambassador for the setting.
 - Be professional, responsible, credible, fair and honest, and consider how the information being published could be perceived or shared.
 - Always act within the legal frameworks they would adhere to within the workplace, including libel, defamation, confidentiality, copyright, data protection and equalities laws.
 - Follow our image use policy at all times, for example ensuring that appropriate consent has been given before sharing images.
 - Not disclose information, make commitments or engage in activities on behalf of the setting, unless they are authorised to do so.
 - Not engage with any private or direct messaging with current or past children or their family members.
 - Inform their line manager, the DSL (or deputy) and/or the manager of any concerns, such as criticism, inappropriate content or contact from children.

6. Children/pupils/students use of social media

- The use of social media during setting hours for personal use is not permitted for children.
- Many online behaviour incidents amongst children and young people occur on social media outside the setting day and off the setting premises. Parents/carers are responsible for this behaviour; however, some online incidents may affect our culture and/or pose a risk to children and young people's health and well-being. Where online behaviour poses a threat or causes harm to another child, could have repercussions for the orderly running of the setting when the child is identifiable as a member of the setting, or if the behaviour could adversely affect the reputation of the setting, action will be taken in line with our behaviour and child protection/online safety policies.

- Super Stars Pre-school will empower our children to acquire the knowledge needed to use social media in a safe, considered and respectful way, and develop their resilience so they can manage and respond to online risks. Safe and appropriate use of social media will be taught to children as part of an embedded and progressive safeguarding education approach using age-appropriate sites and resources. Further information is contained within our child protection policy.
- We are aware that many popular social media sites are not permitted for use by children under the age of 13, or in some cases higher. As such, we will not create accounts for children under the required age as outlined in the services terms and conditions.
- Children will be advised:
 - to consider the benefits and risks of sharing personal details or information on social media sites which could identify them and/or their location.
 - to only approve and invite known friends on social media sites and to deny access to others, for example by making profiles private.
 - not to meet any online friends without a parent/carer or other appropriate adults' permission, and to only do so when a trusted adult is present.
 - to use safe passwords.
 - to use social media sites which are appropriate for their age and abilities.
 - how to block and report unwanted communications.
 - how to report concerns on social media, both within the setting and externally.
- Any concerns regarding children's use of social media will be dealt with in accordance with appropriate existing policies, including anti-bullying, child protection and behaviour.
- The DSL (or deputy) will respond to social media concerns involving safeguarding or child protection risks in line with our child protection policy.
- Sanctions and/or pastoral/welfare support will be implemented and offered to children as appropriate, in line with our child protection and behaviour policy. Civil or legal action may be taken if necessary.
- Concerns regarding children's use of social media will be shared with parents/carers as appropriate, particularly when concerning underage use of social media services and games.

7. Policy monitoring and review

- Technology evolves and changes rapidly. Super Stars Pre-school will review this policy at least annually. The policy will be revised following any national or local policy updates, any local concerns and/or any changes to our technical infrastructure.
- We will regularly monitor internet use taking place via our provided devices and systems and evaluate online safety mechanisms to ensure that this policy is consistently applied. Any issues identified will be incorporated into our action planning.
- All members of the community will be made aware of how the setting will monitor policy compliance Acceptable Use Policy, staff training and classroom management.

8. Responding to policy breaches

- All members of the community are informed of the need to report policy breaches or concerns in line with existing setting policies and procedures. This includes child protection, behaviour policies and staff code of conduct
- After any investigations are completed, leadership staff will debrief, identify lessons learnt and implement any policy or curriculum changes, as required.
- We require staff, parents/carers and children to work in partnership with us to resolve issues.
- All members of the community will respect confidentiality and the need to follow the official procedures for reporting concerns.
- Children, parents and staff will be informed of our complaints procedure and staff will be made aware of the whistleblowing procedure.
- If we are unsure how to proceed with an incident or concern, the DSL (or a deputy) or manager will seek advice from the [Education People's Education Safeguarding Service](#) or other agency in accordance with our child protection policy.

Adopted 5th September

Based on template provided by The Education People dated August 2022 v1

To be reviewed annually. It will also be revised following any concerns and/or updates to national and local guidance or procedures.
